1. If the number of claims is less than the number of claims in the previous column, enter the number of claims in the previous column in the "HIGHEST NUMBER PREVIOUSLY PAID FOR" column. If the number of claims is greater than the number of claims in the previous column, enter the number of claims in the previous column in the "HIGHEST NUMBER PREVIOUSLY PAID FOR" column. If the number of claims is the same as the number of claims in the previous column, enter the number of claims in the previous column in the "HIGHEST NUMBER PREVIOUSLY PAID FOR" column.

2. If the number of independent claims is less than the number of independent claims in the previous column, enter the number of independent claims in the previous column in the "INDEPENDENT" column. If the number of independent claims is greater than the number of independent claims in the previous column, enter the number of independent claims in the previous column in the "INDEPENDENT" column. If the number of independent claims is the same as the number of independent claims in the previous column, enter the number of independent claims in the previous column in the "INDEPENDENT" column.

3. If the number of multiple dependent claims is less than the number of multiple dependent claims in the previous column, enter the number of multiple dependent claims in the previous column in the "MULTIPLE DEPENDENT CLAIM" column. If the number of multiple dependent claims is greater than the number of multiple dependent claims in the previous column, enter the number of multiple dependent claims in the previous column in the "MULTIPLE DEPENDENT CLAIM" column. If the number of multiple dependent claims is the same as the number of multiple dependent claims in the previous column, enter the number of multiple dependent claims in the previous column in the "MULTIPLE DEPENDENT CLAIM" column.
